

Nicaragua 2011 - Informational Meeting

August 2011

Thank you for your interest in the upcoming Nicaragua mission trip. This year, Cornerstone will partake in it's sixth medical mission trip to the Central American country of Nicaragua. In 2010, a team of 46 individuals had the opportunity to provide medical treatment for over **3,100** people and share the gospel with an entire village! Our team will not only provide medical care, but also will have a fully functional pharmacy, an eye clinic, and will provide food for each family that visits the clinic. Through the efforts of the team, and by the grace of God, we saw more than **750** people pray to receive Christ! Today, we hope to answer many common questions that you may have. Of course, we only have a few minutes so if something doesn't come across clear or you would like further information, please feel free to e-mail Brent at BrentKellogg@cornerstone-ss.com or Ryan at RyanRamey@cornerstone-ss.com.
